

# KAVACA

PAINT PROTECTION FILM

**THE ULTIMATE  
INSTANT HEALING PPF**

## THE PERFECT FIT

KAVACA PPF is a high performance aliphatic polyurethane film, acting as a self-healing protective layer preventing the paint from being damaged by minor scratches and scuffs.

Highly durable and instant healing, KAVACA preserves the surface in its ultimate condition.

LIFETIME WARRANTY

# KAVACA INSTANT HEALING

KAVACA Instant Healing is a film designed to self-heal without the need for heat. This film is ideal to use on all exposed surfaces.

- Instant healing of minor scuffs
- Deep gloss finish
- Self-cleaning effect
- Impact protection
- Chemical resistance
- Prevents oxidation & corrosion
- UV protection
- Super hydrophobic effect

## A WINNING COMBINATION

**CERAMIC PRO  
KAVACA PPF**

Combining two of the most advanced surface protection products will showcase an impressive cosmetic effect and improve the overall protection of the surface. Ceramic Pro coatings and KAVACA make for the most advanced protection for both the interior and exterior of your vehicle!

THE WORD KAVACA ORIGINATES FROM  
SANSKRIT AND MEANS ARMOR.
